Blue Spanish eyes
Please please don't cry,
Soon I'll return,
Please say "Si Si"

teardrops are falling from your Spanish eyes
this is just adios and not good-bye.
bringing you all the love your heart can hold
say you and your Spanish eyes will wait for me

Blue Spanish Eyes,
Blue Spanish Eyes,
Soon I will return,
Please say "Si Si"

prettiest eyes in all of Mexico
please smile for me once more before I go
bringing you all the love your heart can hold
say you and your Spanish eyes will wait for me
